

## **Miguel Fco González Pujazón - Job Apply**

Dear Sir/Madam,

My name is Miguel González. Last year I finished my degree in web development and I've been working as a trainee worker for Data Seekers, in the backend department.

I have mastered Java, PHP, Python and JavaScript languages. I have knowledges about web design with HTML and CSS. I can also work with MySQL and Mongo DB databases.

Now I'm looking for a new professional challenge, especially as a programmer. Please, find attached my CV. If you are interested in meeting me for an interview, you can contact me on my mobile or by email.

Thank you very much for your time,  
looking forward to hearing from you,

Miguel González
